

## Covid-19 Vaccinations Underway!

Initial and booster vaccinations (ages 12 and up), child vaccinations (ages 5-11), and infant vaccinations (from 6 months to 4 years old) will continue to be administered. However, Omicron-targeting booster vaccinations for persons ages 12 and up will be discontinued for the time being as of Sunday 7 May.

All of these vaccinations are dependent on the supply of vaccines, so we recommend those wishing to be vaccinated to do so as soon as possible.

Vaccination tickets (接種券, *sesshu ken*) are required when making a reservation and when getting vaccinated. Replacements for lost tickets can be requested through the Vaccination Ticket Reissuance Hotline ☎0120-373-185 or the Covid-19 Vaccination Reservation Website.
