

Childbirth & Childcare Support Grant

The city is offering financial support totaling 100,000 yen to pregnant persons and post-birth child-raising families when they submit their pregnancy notification form (妊娠届け出, *ninshin todokede*) and after the interview during their “Hello Baby Home Visit”(こんにちは赤ちゃん訪問, *konnichiwa aka-chan homon*).

Candidates: Persons who gave birth on or after 1 April 2022

*As this support is implemented in conjunction with the accompanying consultation support, having an interview is a requirement for the payment of benefits.

Persons receiving an interview on or after 27 February

The various application procedures will be explained to you at the time of your interview. When you visit a Health and Welfare Center to submit your pregnancy notification, please bring something that shows your account information (such as a bank book or cash card). Also, the visiting staff member will confirm your account details during your Hello Baby Home Visit.

Persons who gave birth on or before 26 February

Application documents (together with a return envelope) will be sent out sequentially from 27 February.
