

Apply Online for Confirmation of Amounts Paid for Health Insurance Premiums This Year

The “National Health Insurance (国民健康保険料, *kokumin kenko hokenryo*)” premiums and “Medical Insurance for Elderly Persons Over the Age of 75 (後期高齢者医療保険料, *koki koreisha iryo hokenryo*)” premiums you paid throughout the year (Jan-Dec) count as social insurance deductions (社会保険料控除, *shakai hokenryo kojo*) on your final tax returns (確定申告, *kakutei shinkoku*). You do not need to attach documents proving these amounts when filing your tax returns, but if you would like to confirm the amounts paid for the year, please apply and we will send the documents to your home.

The application procedure can now be done online!
