

# Shizuoka City Hobby Spot Introduction

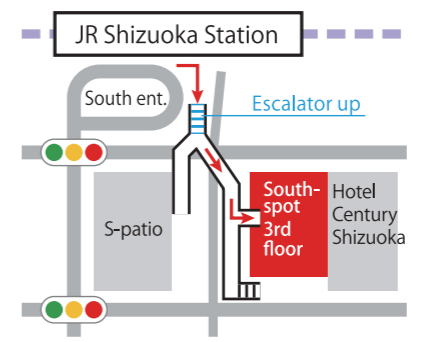

## Shizuoka Hobby Square

<http://www.hobbysquare.jp>

The hobby information transmission base is near the JR Shizuoka Station South Exit. Exhibitions are divided into exhibitions that can be seen for free and fee-based exhibitions.

Since there is an official shop in the hall, goods such as model items and T-shirts can also be purchased, and this is popular not only with model fans but also with families.
